MUSIC:

All program music must be electronically submitted by **Saturday, March 9th**.

Electronic submission can be made in the following manner:

- Music file should be labeled with skater name, event name, and arena name (i.e. Jane Smith, Freestyle 2, Lou & Gib Reese Ice Arena)

REGISTRATION:

The check-in table will open **45 minutes** prior to the day's events and will remain open until the end of each day's events. All competitors should check-in when they arrive at the arena to pick up the competitor's packet and/or address any concerns.

Competitors should be in the arena at least one hour prior to their anticipated warm-up time.

JUDGES:

A panel of three judges will be used for each event. Each participating arena must provide at least one judge for every ten entries. Each judge is required to fulfill at least a two-hour judging assignment per 10 entries. All judges must be current professional members of the ISI and qualified to judge by passing ISI Judges' Certification exams. It is considered unethical for a coach to bring a team of skaters if that coach is not a professional member of the ISI and to judge without certification. If you are unable to fill your judging assignment, you must find your own replacement and inform the Competition Director. The Competition Director will deduct team points if the team does not supply an acceptable number of judges, or if the scheduled judge does not fulfill their obligations.

ACCOUNTING REVIEW:

Request for competition reviews must be made in writing by the Team Coach, no more than 1 hour after the results have been posted.

AWARDS:

Medals will be provided for first through sixth places in all events and will be distributed during the resurface times throughout the competition.

Here are some brief descriptions of our most popular INDIVIDUAL events:

Tots-Pre-Alpha-Delta: A traditional technical program, skated to music of the skater's choice, with emphasis on the required elements from the skater's current level. Skaters must include one additional maneuver from Freestyle 1.

Freestyle 1-10: A traditional technical program, skated to music of the skater's choice, with emphasis on the required elements from the skater's current freestyle level.

Open Freestyle: This is a Freestyle event with no required maneuvers! Skaters may perform any spins at any level; however, jumps are limited by level.

Artistic: Skaters perform a routine to music in which the emphasis is on strong edges, flow, choreography, innovative moves and music interpretation. Technical maneuvers are not judged in this event. Open to Freestyle level skaters only.

Footwork: A 1-minute program where skaters perform a variety of turns, edges and footwork sequences of their own design to music.

Interpretive: The theme for this year's interpretive event is **80's Dance Party**. Skaters are encouraged to dress in themed costumes for this event. See 2022 edition of *The ISI Handbook* for further event descriptions and limitations.
