Make-Up Policy & Transfers

We value the relationship that our students develop with our teachers through regular, consistent instruction. We assign teachers at the start of each term based on the initial enrollment to ensure the best possible student-teacher ratio. Students are encouraged to attend the specific class and day for which they are registered. Students make the most progress by regular attendance and practice. **Students may make-up one class or every 8 weeks of classes missed due to illness or personal conflict.** In order to attend a make-up class, students must notify us at least one day in advance so that we can be sure that we have the correct number of teachers on-hand. Transferring to another class mid-term is discouraged. If a transfer is necessary, please consult the Skating Director or the Head Session Manager.

Registration After the Start of the Term

For Alpha classes and up, students may be added to classes during the first half of each term, and class costs will be pro-rated based on the remaining number of classes, but only if more than one week has been missed. If only one week has been missed, the student may make up that week. For Beginner/Pre-Alpha classes, students may be added to classes during the first two weeks of the term -- after that, they are asked to wait until the next Introductory classes are offered (usually every four weeks). If only one week has been missed, the student may arrange to make up that week. As long as students are registered for classes in an upcoming term, they are welcome to arrange for private lessons in the interim.

Be a part of a holiday tradition!

Students enrolled for classes for the Fall term are eligible to join Nutcracker On Ice; shows are December 6-8, 2024 -- sign up by mid-September!

Students progress from Tot and Pre-Alpha through Alpha, Beta, Gamma & Delta as they master the skills in those levels. Skaters may require more than one term in any given level. All skaters progress at their own pace!

Note: Adults can also attend other days that classes are offered, but on Thursdays and Saturdays we try to offer classes for adults separate from the children's classes.

We may need to cancel or to combine classes depending upon enrollment.

We recommend that you come at least one hour before your first class so that you have time to find skates that fit. **Please arrive on time for all classes.** Parents and siblings may skate during the class time for \$ 6.00 (includes skate rental).

All class prices include 30-min. class, skate rental, practice ice the same day of classes, testing and registration, half price admission to any public session while enrolled, plus membership in the Ice Sports Industry (with supplemental insurance)!
