 10 Wrist Bands

Birthday Buddy

Your buddy is there to help, both on and off the ice. If you have appreciated their personal assistance, a tip is not required, but it is certainly an option if you feel it is deserved.

First Ten Skaters - Free

Your party fee includes admission and skate rental for up to ten (10) skaters (the honoree plus 9 guests). Please attach the wrist bands to skaters' wrists and send them with their shoes to the front counter. Please have them show their wrist bands and give their shoes to the counter staff -- they will receive skates in return.

Additional Skaters - \$ 6.00 each (Please pay before you leave.)

If you have more than 10 skaters in your group, please have them tell the counter staff the name of your party and their name, and they will give them a wrist band and skates. Their names will be noted on your party sheet -- please pay \$ 6.00 per additional skater when you are ready to leave.

Skates should fit tight, but not squish the toes!

If the skates do not fit well, please feel free to take them back to the counter and explain what's wrong -- we want your skaters' feet to be happy! You may notice that you will receive skates that are a size or two smaller than your regular shoe size; this is correct.

If you have any questions or concerns, please let us know.

Thank you for having your party at the Ice Chalet!
