

Wow! Can you believe it is already time for the 35th annual Mississippi Valley District Team Competition?

And not only is it the 35th year of *the competition that started them all in ISI*, but it is also the place of the ISI District 5 Championships for 2004! The Ice Chalet in Knoxville would like to mark this special event by producing an end-of-competition show that involves as many rinks as possible. To do this, we DEFINITELY need your help!

We are calling this extravaganza:

Each team who comes to the competition will be invited to perform a number or two to music we feel has made an impact over the last 35 years. The competition will be held March 26 & 27, with the show on the morning of the 28th. Teams will, of course, need to start preparing for the show, so we would like to know by November 1, 2003 if your team would like to participate in the show. We will provide all the music -- you just have to get your team ready.

New this year:  
All teams  
are invited  
to participate  
in a special  
musical  
extravaganza!
