Here at the Ice Chalet, we emphasize a "team" atmosphere! There are many ways to be involved for skaters and parents, too, from competitions and shows to volunteer programs & team-building activities.

You may want to consider participating in regional and national competitions as a member of the Robert Unger Team. Any skater who has passed *any* ISI skill level, from Tot to Delta and up, is eligible. Our own Robert Unger Skating Competition is held here in Knoxville at the end of the Winter term. Sign up for membership in the Ice Skating Institute (ISI). Students enrolled in our skating school are encouraged to join this international organization of skating students and professionals. Skaters' tests are registered with the ISI so that anywhere in the world, these skills can be verified through their database. ISI membership is also required for participation in our competitions and shows. Benefits of membership (\$ 15/year) include supplemental accident insurance and a quarterly magazine. You can register at the main counter, and we'll send in your registration!
