

The 53rd Annual Robert Unger ISI Team Competition

Events are offered to all ages -- Tots through Adults!

All skaters must be current ISI members, and their relevant tests must have been registered with the national office by March 1, 2022.

PLEASE NOTE: THIS IS A 3-DAY COMPETITION! Events start Friday morning and end by mid-day Sunday. If you cannot attend Friday events, we will try to work with you, but we cannot guarantee that we can accommodate all schedule conflicts.

- Entry Forms:** Team coaches should make sure all entry forms have the skater's ISI number and competition level on them. The coach or rink manager should also review each form to verify that all information is correct. **Entry deadline: March 1, 2022.**
- USFS Skaters:** USFS skaters are invited to participate in exhibition events, for which special medals will be awarded. ISI membership is required (pay fee with registration), but ISI testing is not required.
- Fees:** Fees for individual competitors will be \$55.00 for the first event. Each additional event is \$20.00. In partner events (pairs, couples, etc.) each skater will pay the additional fee of \$20.00. If the partner events are the skater's only events, s/he must pay the \$55.00 first event fee. If group events are the skater's only event, each skater must pay the \$15.00 event fee, but need not pay an individual fee. Late entries must be approved by the Competition Director; there is an extra \$50.00 late entry fee.
- Registration & Check-in:** All skaters may begin picking up their competitor packets on Thursday afternoon starting at 5:00 pm. We have several practice sessions available for Thursday -- see the attached sheet for times and prices. Skaters should call ahead to register for the practice ice.
- Competition Standards:** This competition will be conducted in accordance with the most recent edition of the ISI Handbook and any applicable revisions. (See ISI web site: www.skateisi.org)
- Judges:** Each team must provide at least one certified judge for every 15 skaters, and all judges must be current professional members of the ISI. Coaches and judges will receive advance instructions either online or at a meeting to help ensure a smooth experience for their skaters.
- Divisions:** In most cases we try to divide groups by the age categories recommended by the ISI. However, in cases of large or small enrollment, we do reserve the right to divide and combine the groups further. If there is only one skater in an event, he or she must earn at least 80% of the total possible points in order to receive first place.
- Check in:** All skaters should check-in with the ice monitor one (1) hour before they are scheduled to compete. Events may run early, so be prepared.
- Music:** Music (CD or MP3) must be identified with the rink name, skater's name, and event name. CDs should be turned in on Thursday night or early Friday morning. **MP3 files should be emailed to icechalet@chaleticerinks.com at least *one week* before scheduled events.**
- Videos:** We will have the competition events and show recorded on video.
- Accounting Reviews:** Requests for accounting reviews must be made in writing and submitted by the team coach or supervisor to the chief referee. All review requests must include a fee of \$50.00, which will be refunded should the protest be upheld. Reviews concerning judgment will not be considered. The chief referee's decision will be final.
