ABOUT SARAH...

Sarah has been a skater at the Ice Chalet since she was 4.

She was seriously injured in a car accident on May 28, 2011.

She was 9 years old at the time and a rising 5th grader at the Knoxville Jewish Day School.

She is currently getting special therapy at the Shriners' Hospital for Children in Chicago.

Sarah loves peace symbols, Justin Bieber, Taylor Swift, animals, Facebook, and her iPod, but not necessarily in that order.

She is fluent in Hebrew.

She founded the "Children Helping Children" organization at her school -- an example of her selfless attitude and loving heart.

Her favorite colors are blue, pink, and purple.

This "girly girl" always has an adornment in her hair -- usually a flower!
