To Whom It May Concern,

We are honored to have around 158 skaters from ten different skating rinks throughout the Southeast and the East participating in the 48th Annual Robert Unger ISI Competition here in Knoxville, April 28-30, 2017. We hold the distinction of being the oldest continually running recreational skating competition in the world.

We realize and appreciate the importance of combining an engaging classroom education with extracurricular activities, and we hope you will excuse this student from classes so that he/she can participate in this unique experience! We are honored to be a small part of this student's well-rounded education. We would like to thank you in advance for providing this student with any necessary assignments that they might miss due to this event.

This is a full three-day event, with events starting at 8:00 am on all three days, Friday, Saturday, and Sunday, and continuing through 9:30 pm Friday and Saturday evening and 2:45 pm on Sunday. Please let me know if you have any questions or concerns, 865-705-6796 or icechalet@chaleticerinks.com.

Sincerely,

Julia Hardin

Skating School Director
