Nutcracker On Ice is a holiday fairy tale about a young girl, Claire, and a magical Christmas night. The story begins as Claire's family and friends gather for their annual Christmas celebration. Drosselmeyer, Claire's Godfather, arrives with presents for everyone, including a spectacular Nutcracker doll for his favorite Godchild. As the party winds down and the guests head home, Claire goes off to bed, excited about her new gift. She eventually falls asleep, and with a little help from Drosselmeyer's magic, her dream begins.

Suddenly, Claire's home is transformed into an enchanted land where rats and toy soldiers are engaged in a battle... and the Nutcracker comes to life. The battle is won when the Nutcracker defeats the King Rat and saves Claire. Together, Claire and the Nutcracker journey to the land of the Sugar Plum Fairy. They are delighted by dancers from around the world. As her dream ends, Claire awakens with special memories of a most magical Christmas.

Location: 100 Lebanon Street in Knoxville, beside the Shops at Western Plaza.
Presented by the Robert Unger & Larry LaBorde School of Ice Skating
