

# ***Nutcracker On Ice***

## ***Choreography Request***

***Performance Week:***  
**November 30-December 6, 2020**

**SSPECIAL NOTE:** Due to COVID-19 safety precautions, we will divide this year's shows into different scenes to be presented and filmed between November 30th and December 6th. The scenes will then be edited into one video that will be available for purchase and/or pay-per-view. Limited audience seating will be available for the days and times the scenes are being filmed.

**Please give this form to Larry by October 3rd.**

Are you interested in choreographing a number for this year's *Nutcracker On Ice*? Tell us what role/s you would like to choreograph; we may change choreographers from year to year to keep the show "fresh". We will pay in accordance with the length and complexity of the number/s choreographed. If you miss a rehearsal, your pay will reflect the absence.

Rehearsals will start the week of October 19th. Tentative practice times for roles are listed below; these are subject to change. There will usually be one practice per week per role assigned, perhaps two per week closer to show dates: Choreographers are expected to attend all shows and assist as needed.

Sundays	9:30-1:00 p.m.	(Various roles: Freestyle levels)	Wednesdays	6:30-7:45 p.m.	(Dolls, Toys, Waltzers)
Monday	4:00-5:30 p.m.	(Children, Maids, Soldiers)	Thursdays	4:00-5:30 p.m.	(Currier & Ives)
