
Please talk to instructors at least two months ahead for competitions or tests!

- ◆ Skaters who want to compete need programs choreographed to music.
- ◆ Freestyle-level skaters must present a program to music, incorporating all the maneuvers of a particular level in order to pass that level.

We strongly recommend asking for help from an instructor. There are rules that must be carefully observed, such as duration and moves allowed. The music must be appropriate for the skater's age and skill level, and paced properly.

Regular Private Lessons

Most lessons are scheduled either weekly or bi-weekly, as many teachers have nearly full schedules during the busier times of the year. Programs are usually refined in private lessons at least once a week over several weeks. Repetition will help the skater do his/her best!

Occasional "Booster" Lessons

Sometimes the skater just needs a little "boost" in confidence or work on a specific skill with individual attention, and this would be a "booster" lesson not taught on a regular schedule. Please make it clear to the instructor if you want weekly or just booster lessons.

Multiple Coaches & Changing Coaches

It's fine to engage the services of more than one instructor at a time, but please be sure that the coaches are aware of this and communicating with each other. It is helpful to designate which instructor is to concentrate on what programs, skills, dance, etc. If you decide to change instructors, please discuss this with the current instructor first as a courtesy.

Who Can Take Private Lessons?

Students enrolled in our skills lesson programs may take private lessons. (During Summer & Holiday sessions, skaters may take privates the day/week they are enrolled.) Adults 18 years or older may take private lessons without being enrolled in classes. Skaters visiting from out of town may take private lessons for up to two weeks. Membership plan skaters may take private lessons throughout the year as long as their monthly payments are current. Multi-visit passes, such as the Freestyle Stroking and Practice Pass, do not qualify skaters for private lessons.

Schedule Private Lessons with the Teacher of Your Choice

Private lessons are usually 20 minutes long and may be conducted during "freestyle" practice sessions or *uncrowded* public sessions. Admission to these sessions must be paid for separately from the private lesson compensation to the teacher. (Note: For lessons held during public sessions, use of the music box is allowed only with permission of the management.)

Private Lesson Prices

Generally \$ 17.00 to \$ 20.00, depending upon the teacher. Please pay the teacher directly. Each teacher has their own system of tracking and billing, so discuss this with the teacher when you schedule lessons for the first time.

Music Editing Prices

Generally \$ 15.00-20.00 for two CDs with 1-2 simple cuts. Please pay the teacher directly. For longer programs and/or complicated edits, the cost may be higher. Students should have at least one back-up CD.

Ice Time Must Be Paid For Separately

Whether lessons are scheduled during "freestyle" practice times or uncrowded public sessions, skaters must pay for the ice time separately from the private lesson itself and check-in at the counter. If you purchase the "All You Can Skate" package, all practices and public sessions are included!

Cancellations

It is the skater's responsibility to notify the instructor of cancellations at least 24 hours ahead of time so that the instructor can schedule another student for the allotted time.

Please remember to check in at the front counter for practices and private lessons - *Thank you!*
