Make-Up Policy & Transfers

We value the relationship that our students develop with our teachers through regular, consistent instruction. Students are encouraged to make every effort to attend the specific class and day for which they are registered. **Students may make-up one class per term missed due to illness or personal conflict, but not just as a matter of preference.** To attend a make-up class, notify us at least one day in advance so that we can be sure that we have enough teachers. Transferring to another class is discouraged. If a transfer is necessary, please consult the Skating Director or the Head Session Manager.

Registration After the Start of the Term

For Alpha classes and up, students may be added to classes during the first half of each term, and class costs will be pro-rated based on the remaining number of classes, but only if more than one week has been missed. If only one week has been missed, the student may make up that week.

Class Benefits:

- ◆ **EXTRA PRACTICE TIME EACH DAY:**
Students receive 60-90 minutes of ice time, including a half-hour class. (Mondays: 60 min.; Thursdays and Saturdays: 90 min.) Parents and siblings may skate during this time for \$ 5.00/person.
- ◆ **PUBLIC SESSION/PRACTICE ADMISSION:**
Students receive half-price admission and skate rental for any public session.
- ◆ **SKATE RENTAL & TEST FEES -- included!**

Summer Showcase:

Saturday, July 22 5:00 p.m.

Make plans to perform a program to music! Choreography, music editing, etc. can be arranged through private lessons with any of our instructors. (See Private Lessons Brochure)

Class Registration & Check-In:

Students **must** register for their first class at least one hour before classes start. Students should check in 30 minutes before classes begin.

We reserve the right to reorganize or to cancel classes based on enrollment.

Students progress from Tot and Pre-Alpha through Alpha, Beta, Gamma & Delta as they master the skills in those levels. Skaters may require more than one term in any given level. All skaters progress at their own pace!

Note: Adults can also attend other days that classes are offered, but on Thursdays and Saturdays we try to offer classes for adults separate from the children's classes.

We recommend that you come at least one hour before your first class so that you have time to find skates that fit. **Please arrive on time for all classes.** Parents and siblings may skate during the class time for \$ 6.00 (includes skate rental).

Note: We may need to cancel or to combine classes depending upon enrollment.
