About the Ice Chalet...

The Ice Chalet's ice surface is 75' by 175'. The average Summer temperature in the rink is 50 degrees. We have vending machines with snacks and drinks, and several restaurants within walking distance. We also have a Pro Shop with a large inventory of boots & blades. Professional skate sharpening is available.

Lodging with a Family; Hosting a Skater

Students from out of town are welcome to stay with a local family. Contact the Skating Director or the Manager for more information about lodging with someone or hosting a visiting skater.

Private Lessons & Practice Ice

Private lessons are available to all students who are enrolled in skills classes to help skaters work on specific skills or to prepare a program for a test or a competition.
