Make-Up Policy & Transfers

We value the relationship that our students develop with our teachers through regular, consistent instruction. We assign teachers at the start of each term based on the initial enrollment to ensure the best possible student-teacher ratio. For these reasons, students are encouraged to make every effort to attend the specific class and day for which they are registered. Students make the most progress by regular attendance and practice. **Students may make-up one class per term missed due to illness or personal conflict, but not just as a matter of preference.** In order to attend a make-up class, students must notify us at least one day in advance so that we can be sure that we have the correct number of teachers on-hand. For the same reasons mentioned above, transferring to another class is discouraged. If a transfer is necessary, please consult the Skating School Director or the Head Session Manager.

Registration After the Start of the Term

For Alpha classes and up, students may be added to classes during the first half of each term, and class costs will be pro-rated based on the remaining number of classes, but only if more than one week has been missed. If only one week has been missed, the student may make up that week. For Beginner/Pre-Alpha classes, students may be added to classes during the first two weeks of the term -- after that, they are asked to wait until the next term or set of Introductory classes are offered (usually every four weeks). If only one week has been missed, the student may arrange to make up that week. As long as students are registered for classes in an upcoming term, they are welcome to arrange for private lessons in the interim, until their new classes begin.

Welcome to the Robert Unger & Larry LaBorde School of Ice Skating!

For more than 56 years, we have been Knoxville's familiar source for ice skating instruction and public ice skating entertainment.

We hope to see you often at the Ice Chalet!

What is ISI (Ice Sports Industry)?

Our lessons are based on the Ice Sports Industry's recreational ice skating program. Each test level serves as a building block for the next, so skating can be a *lifelong* hobby. All ages and all skill levels can be involved in many different activities. We host the oldest continuously running ISI competition each Spring. ISI membership includes a quarterly magazine and a supplemental insurance policy, and it is included with class registration!

What do we do in each class?

Beginning and Advanced Tots

For ages 3-5, students work on falling, marching, gliding, and moving forward and backward. We recommend gloves and a toboggan or helmet.

Beginners (Pre-Alpha)

Beginner students learn to balance and do simple glides on both feet. Anyone over age 5 who has never taken classes should start in Pre-Alpha.

Alpha

Once you have passed Pre-Alpha, you move to Alpha and learn forward stroking, forward crossovers in both directions, and a simple stop.

Beta

Students now work on backward stroking and backward crossovers in both directions, plus T-stops.

Gamma

Students begin to work on turns (forward outside edge 3-turns and inside mohawks), and a hockey stop.

Delta

Students learn inside edge 3-turns, forward edges, bunny hops, lunges, and shoot-the-ducks.

Freestyle

There are 10 levels with different jumps, spins, and footwork patterns.

Ice Dancing

Skaters who have passed Alpha can learn to dance on ice! There are over 20 ice dances from the waltz to the tango!

Should I buy my own skates?

Skate rental is free with your lessons. Having your own skates usually can speed up your progress. The Ice Chalet has a good supply of both figure and hockey skates for sale; you will receive a professional fitting and sharp blades at the time of purchase, as well as a public session pass good for five free admissions! Call ahead to make sure a qualified staff member is available.

What should I wear?

Skating clothes should keep you warm but also allow free movement. Small children should always wear gloves/mittens and head protection of some kind. Skaters should wear only one, *thin* pair of socks to allow for a better fit.

Public Session Pass \$ 25.00 Save \$ 5!

Does not include skate rental.

Public Session Pass Plus \$ 52.00 Save \$ 8!

Includes skate rental.
