## 2014-2015 Synchronized Teams

### Beginner, Intermediate, and Advanced

---

---

### What is a synchronized team?

A synchronized team is a group of skaters performing various skills in unison to music. Synchronized teams allow participants to strengthen their individual skating skills while enjoying the atmosphere of a team sport.

- A Synchro *Formation* Team performs forward skating, backward skating on two feet, and two-foot turns while executing various formations such as pinwheels, circles, lines, etc.

- A Synchro *Skating* Team performs forward and backward skating steps, along with maneuvers such as backward splicing, backward spoke wheels, and lines or circles with intricate footwork. Unison, cleanliness, and SPEED are expected.

- A Synchro *Dance* Team utilizes dance steps and skating moves to produce a program. Unison, choreography, and music interpretation are the primary judging criteria.

### Requirements

The number of teams will depend on enrollment. Skaters must be able to execute certain maneuvers (see below). How well skaters perform the listed skills easily, with speed and power, will determine their team assignments. Ultimately, the team assignments will be determined by the skating school director and the team coaches. There is a place on one or more teams for every skater. If not the advanced team, then intermediate, etc.

### Typical Moves

#### *Beginner Moves:*

- *Snowplow stop*
- *Marching to music*
- *Teapot glide (two feet)*
- *Forward & Backward Swizzles*

#### *Intermediate Moves:*

- *Long one-foot glides*
- *Arabesque (straight line)*
- *T-stops and snowplow stops, both ways*
- *Footwork to music*
- *Lunges on both feet*

#### *Advanced Moves:*

- *All of the other maneuvers, plus...*
- *All stops, both feet, including tango*
- *Backward lunges, both feet*
- *Mohawks: inside & outside, forward & backward, open & closed*
- *Backward outside three-turns*

**Important: The first class is a mandatory meeting for all skaters and their parents.**

## Team Rules

---

---

- This is an August-April team commitment. Late registrants will be trained as alternates.

- Skaters are allowed no more than two absences per semester -- one excused and one unexcused. A skater who misses three practices will be dismissed from the team. NO REFUNDS are given.

- Skaters will be expected to make up for any missed practices by taking a private lesson.

- No late arrivals are tolerated -- A skater will be marked absent if he/she is late for a scheduled practice, and he/she will sit & observe practice.

- A skater cannot miss the final two practices before a competition in which he/she is to perform.

- If there is a behavior problem interfering with practice, the skater/s involved will be asked to leave the ice and it will be counted as an unexcused absence.

- Skaters who are sick or injured are asked to come and watch practice if at all possible.

- Practices should be high priority, and skaters need to be attentive and respectful to each other and the teachers during this valuable time.

- Skaters should be dressed appropriately -- no jeans or baggy sweatshirts. Skaters will be expected to wear black fitted pants or tights and a dark top. Long hair must be tied back.

***Parents and skaters are required to sign the release on the back stating that you have read and understand these rules.***

### Team Spirit & Identity

To be successful, the team will need to form a strong bond, so skaters will be expected to stay with their assigned team throughout the year.
