SPACE:

Due to the limited space available inside the skating rink, we set up a tent outside the skating area for our vendors and create a convenience, covered walkway from the skating area to the door of the tent -- a distance of only about 15-20 feet. There will be regular electrical outlets available. Each vendor space includes 1 table, 2 chairs, and approximately 10' X 10' space.

SET-UP and TAKE-DOWN:

You can begin setting up after 2:00 p.m. on Thursday, and you will need to be out of the tent by Sunday afternoon. The schedule runs from early Friday morning through Sunday, concluding with our special show around noon. We hope that you will stay through Sunday morning, as we have found that a lot of customers wait until the last day to make their purchases. How late we run each day depends upon the number of events to be scheduled.
